

Notice of accreditation actions by the AVMA Council on Education June 2022

The AVMA Council on Education (COE) is recognized by the United State Department of Education as the accrediting agency for colleges and schools of veterinary medicine in the US. In keeping with the regulations of the United States Department of Education, the following are the accreditation actions taken by the AVMA COE.

The Council took the following actions during its June 1, 2022, meeting.

Accredited is a classification granted to a college that has no deficiencies in any of the Standards and is granted for a period of up to seven years. A college with one or more minor deficiencies that have minimal or no effect on student learning or safety, that can be reasonably be addressed in one year, are Accredited with minor deficiencies. Colleges with a status of Accredited submit annual interim reports to monitor continued compliance with the Standards of Accreditation. Colleges with a status of Accredited with minor deficiencies submit reports twice a year.

Based on evaluation of a comprehensive site visit that took place in Spring 2022, the AVMA COE granted accreditation status as follows:

- **University of Wisconsin, School of Veterinary Medicine** – Accredited
- **University of Tennessee, College of Veterinary Medicine** – [Accredited](#) with minor deficiency (Standard 3 – Physical Facilities & Equipment)

Based on the evaluation of a verification site visit report that took place in Spring 2022, the AVMA COE granted accreditation status as follows:

- **University of Minnesota, College of Veterinary Medicine** -[Accredited](#) with minor deficiency (Standard 3 – Physical Facilities & Equipment)
- **Oregon State University, Carlson College of Veterinary Medicine** – Accredited

Based on review of a report submitted, the AVMA COE granted accreditation status as follows:

- **The Ohio State University College of Veterinary Medicine** - Accredited
