

Dear Student

Please participate in an online survey of veterinary students that takes 20 minutes to complete and asks about recruiting and retaining students. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are confidential and findings will be only reported in the aggregate.

This survey is sponsored by the Food Supply Veterinary Medicine Coalition (FSVMC), which is comprised of the American Association of Bovine Practitioners (AABP), the American Association of Small Ruminant Practitioners (AASRP), the American Association of Food Hygiene Veterinarians (AAFHV), American Association of Swine Veterinarians (AASV), the Association of American Veterinary Medical Colleges (AAVMC), the Academy of Veterinary Consultants (AVC), the American Veterinary Medical Association (AVMA), American Association of Avian Pathologists (AAAP), Food Safety Inspection Service (FSIS) and Bayer Animal Health.

Access the online survey by clicking on the link below. The survey will open in your web browser. If the survey does not open in your web browser, please type the address exactly as shown below into the address line of your web browser. At the end of the questionnaire you will click on a submit button to send your responses to us.

Click on this link to access the survey.

<http://survey.cba.ksu.edu/avma/study13/study13.htm>

Please complete the survey by April 14, 2005. If you have any difficulties or technical questions regarding the online survey, you can contact Joe Plantiko at [jplant@ksu.edu](mailto:jplant@ksu.edu). If you have any questions regarding the content of the survey, please contact Dr. David Andrus at [andrus@ksu.edu](mailto:andrus@ksu.edu).

THANK YOU FOR PARTICIPATING IN THIS IMPORTANT PROJECT.

Best Regards,

David Andrus  
Kansas State University

Dear Student

A week ago we asked you to participate in an online survey of veterinary students that takes 20 minutes to complete and asks about recruiting and retaining students. If you have completed the survey, thank you for your support! If you missed the survey, please take a moment now and share your insights with us. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are confidential and findings will be only reported in the aggregate. We have kept the survey short to accommodate your busy schedule.

Access the online survey by clicking on the link below. The survey will open in your web browser. If the survey does not open in your web browser, please type the address exactly as shown below into the address line of your web browser. At the end of the questionnaire you will click on a submit button to send your responses to us.

Click on this link to access the questionnaire

<http://survey.cba.ksu.edu/avma/study13/study13.htm>

Please complete the survey by April 20, 2005. If you have any difficulties or technical questions regarding the online survey, you can contact Joe Plantiko at [jplant@ksu.edu](mailto:jplant@ksu.edu). If you have any questions regarding the content of the survey, please contact Dr. David Andrus at [andrus@ksu.edu](mailto:andrus@ksu.edu).

THANK YOU FOR PARTICIPATING IN THIS IMPORTANT PROJECT.

Best Regards,

David Andrus  
Kansas State University

Many of you have completed our online survey of veterinary students. We thank you for your assistance. This is the third and final distribution of the survey. If you have already completed this questionnaire, we thank you for your time and please disregard this email. For those of you from whom we have not yet heard, please visit the link below to participate in this research as soon as possible. Your opinions are extremely important to us!

This survey takes approximately 20 minutes to complete and asks you about the type of veterinary work you do and your attitudes about that work. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are anonymous and there is no obligation to participate. Information will only be reported at the aggregate level and you will never be personally identified with this information.

This survey is sponsored by the Food Supply Veterinary Medicine Coalition (FSVMC), which is comprised of the American Association of Bovine Practitioners (AABP), the American Association of Small Ruminant Practitioners (AASRP), the American Association of Swine Veterinarians (AASV), the Association of American Veterinary Medical Colleges (AAVMC), the Academy of Veterinary Consultants (AVC), the American Veterinary Medical Association (AVMA), American Association of Avian Pathologists (AAAP), Food Safety Inspection Service (FSIS) and Bayer Animal Health.

Access the online survey by clicking on the link below. The survey will open in your web browser. If the survey does not open in your web browser, please type the address exactly as shown below into the address line of your web browser. At the end of the questionnaire you will click on a submit button to send your responses to us.

## Veterinary Career Decision Survey

**Thank you for taking the time to participate in this online survey about veterinary careers. The survey should take approximately 20 minutes to complete and will ask you about decision factors used in selecting a particular career path in veterinary medicine. It will also ask you about employment challenges and future career expectations.**

**Your responses to this survey will be completely anonymous. Information will only be reported at the aggregate level and you will never be personally identified with this information. We appreciate your support and value your insights.**

**Please do not use your browser's "Back" button to navigate through the survey.**

## Future Career Plans

1. Please identify the percent of your time you plan to spend working with the species below over the next 5 years. Responses should add to 100%. The counter below indicates your running total.

If you do not plan on working directly with animals, please click the "next" button below to continue the survey.

Beef cattle	0
Dairy cattle	0
Poultry	0
Swine	0
Bison	0
Elk	0
Llamas	0
Cats	0
Dogs	0
Exotic animals	0
Equine	0
Sheep/Goats	0
Food Fish	0
Avian	0
Laboratory Animal	0
Other	0

-----  
0%

## Future Career Plans

2. Which one occupational area are you most likely to make a career commitment to for the first five years of employment as a veterinarian?

The occupational area that you select will be referred to in subsequent questions.

- Food animal exclusive private practice
- Food animal predominant private practice
- Mixed animal private practice
- Companion animal predominant private practice
- Companion animal exclusive private practice
- Equine private practice
- University
- Uniformed Services
- Federal Government
- State/Local Government
- Industry
- Not-For-Profit

## Past Experiences with Animals

Please rate the following statements about your life experiences with animals.

	Very Strongly Disagree	Disagree	Somewhat Disagree	Neutral	Somewhat Agree	Agree	Very Strongly Agree
3. I had significant experience with food animals before being admitted to veterinary school.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4. I had a good role model who was involved in food animal production when I was growing up.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5. I was actively involved with food animals in 4H when I was young.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6. I worked for a food animal veterinarian before I was admitted to veterinary school.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7. I worked for a companion animal veterinarian before I was admitted to veterinary school.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8. I had an externship that focused on food animal medicine while in veterinary medical school.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

## Career Decision Factors

Please indicate your level of agreement with the following statements.

	Very Strongly Disagree	Disagree	Somewhat Disagree	Neutral	Somewhat Agree	Agree	Very Strongly Agree
9. I am extremely worried about repaying my loans for veterinary medical school.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10. I selected an occupational area in veterinary medicine because I can pay my veterinary school debt off faster.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
11. The lifestyle I want to lead requires that I make much more than the average veterinarian.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
12. I put much less emphasis on material things than most people I know.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
13. Veterinarians who have a lot of money are happier than veterinarians who have only a little money.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
14. I think that I will receive a good annual salary from my occupational area in veterinary medicine.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

## Career Decision Factors

Please indicate your level of agreement with the following statements.

	Very Strongly Disagree	Disagree	Somewhat Disagree	Neutral	Somewhat Agree	Agree	Very Strongly Agree
15. It is vital to me that my veterinary job be personally meaningful.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
16. The major satisfactions in my life will come from my veterinary job.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
17. I want recognition from my colleagues for contributions to my occupational area in veterinary medicine.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
18. I want to use my veterinary career to be a community leader.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
19. A career in food animal medicine is as intellectually challenging as companion animal medicine.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
20. Food animal veterinary medicine would allow me to fully utilize my medical knowledge.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
21. I desire a job that allows me to help protect the nation's food supply.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

# Challenges and Benefits of Food Animal Veterinary Medicine

Please indicate your level of agreement with the following statements.

	Very Strongly Disagree	Disagree	Somewhat Disagree	Neutral	Somewhat Agree	Agree	Very Strongly Agree
89. Consolidation among food animal producers will make it more difficult to be a food animal veterinarian.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
90. A major challenge in food animal veterinary medicine is that food animal producers often ignore the veterinarian's advice.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
91. Food animal producers are not very willing to pay for the types of services offered by veterinarians.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
92. I am concerned over my ability to buy into a food animal practice.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
93. My veterinary education has adequately prepared me to work in a food animal practice.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

**94.** What are the two biggest benefits you see of working as a food animal veterinarian?  
[First Benefit]

---

[Second Benefit]

## Demographics
