

Please participate in an online survey of veterinarians that takes approximately 20 minutes to complete and asks you about the type of veterinary work you do and your attitudes about that work. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are anonymous and there is no obligation to participate. Information will only be reported at the aggregate level and you will never be personally identified with this information.

This survey is sponsored by the Food Supply Veterinary Medicine Coalition (FSVMC), which is comprised of the American Association of Bovine Practitioners (AABP), the American Association of Small Ruminant Practitioners (AASRP), the American Association of Swine Veterinarians (AASV), the Association of American Veterinary Medical Colleges (AAVMC), the Academy of Veterinary Consultants (AVC), the American Veterinary Medical Association (AVMA), American Association of Avian Pathologists (AAAP), Food Safety Inspection Service (FSIS) and Bayer Animal Health.

Access the online survey by clicking on ONE of two links below based on when you received your veterinary medicine degree. The survey is administered online and will open in your web browser. If the survey does not open in your web browser, please type the address exactly as shown below into the address line of your web browser. At the end of the questionnaire you will click on a submit button to send your responses to us for analysis.

Click on this link if you graduated from veterinary medical school prior to August 1999:

<http://survey.cba.ksu.edu/avma/study14/study14.htm>

Click on the link below if you have graduated from veterinary medical school between August 1999 and December 2004:

<http://survey.cba.ksu.edu/avma/study12/study12.htm>

Please complete the survey by December 10, 2004. Your valuable feedback is essential to effectively measure your experiences as a veterinarian. We look forward to receiving your response. If you have any difficulties or technical questions regarding the online survey, you can contact Joe Plantiko at jplant@ksu.edu. If you have any questions regarding the content of the survey, please contact Dr. David Andrus at andrus@ksu.edu.

THANK YOU FOR PARTICIPATING IN THIS IMPORTANT PROJECT.

Best Regards,

David M. Andrus
Kansas State University

We wish to thank those who have participated in our survey to improve the veterinary profession. If you missed the survey, please take a moment now and share your professional insights in an online survey of veterinarians that takes approximately 20 minutes to complete and asks you about the type of veterinary work you do and your attitudes about that work.. We've kept the survey length short to accommodate your busy schedule. Your opinions are important to us!
