

Notice of accreditation actions by the AVMA Council on Education Spring 2019

The AVMA Council on Education (COE) is recognized by the United State Department of Education as the accrediting agency for colleges and schools of veterinary medicine in the US. In keeping with the regulations of the United States Department of Education, the following are the accreditation actions taken by the AVMA COE.

The Council took the following actions during its March 16-19, 2019 meeting.

Accredited is a classification granted to a college that has no deficiencies in any of the Standards and is granted for a period of up to seven years. A college with one or more minor deficiencies that have minimal or no effect on student learning or safety, that can be reasonably be addressed in one year, are Accredited with minor deficiencies. Colleges with a status of Accredited submit annual interim reports to monitor continued compliance with the Standards of Accreditation. Colleges with a status of Accredited with minor deficiencies submit reports twice a year.

Based on evaluation of a comprehensive site visit that took place in Fall 2018:

- **University of Queensland School of Veterinary Medicine** – Accredited with minor deficiency (Standard 9, Curriculum)
- **Tufts University Cummings School of Veterinary Medicine** – Accredited
